Before you compare fares

- ☐ Choose a date range and say whether you can be flexible.
- ☐ List everyone sharing the cabin, including children's ages when you request a quote.
- ☐ Compare the cabin total for the whole party, not just a per-person headline.
- ☐ Ask about taxes, port charges, gratuities and the extras you actually want.
- ☐ Check the deposit, final-payment date, cancellation terms and cabin assignment.
- ☐ Confirm document requirements for your citizenship, route and cruise line.

A better brief. A smoother start.

Fill this in before comparing sailings or speaking with an advisor. An inquiry does not reserve a cabin.

The whole-trip cost check

- ☐ Cabin, taxes + port charges
- ☐ Gratuities / service charges
- ☐ Drinks, dining + Wi-Fi
- ☐ Excursions + optional coverage
- ☐ Hotel, flights + ground transport
- ☐ Parking, luggage + final transfers

Put the New York stay around the actual port.
We recommend an arrival buffer when flying in. Follow the line's check-in window, and plan luggage and transfers before booking sightseeing.
